Old Farmer's Advice: Your fences need to be horse-high, pig-tight and bull-strong. Keep skunks and bankers at a distance. Life is simpler when you plow around the stump. A bumble bee is considerably faster than a John Deere tractor. Words that soak into your ears are whispered...not yelled. Meanness don't jes' happen overnight.

Forgive your enemies; it messes up their heads. Do not corner something that you know is meaner than you. It don't take a very big person to carry a grudge. You cannot unsay a cruel word. Every path has a few puddles. When you wallow with pigs, expect to get dirty.

The best sermons are lived, not preached. Most of the stuff people worry about ain't never gonna happen anyway.
